A photograph of two women, Gracie Glam and Karina Kay, posing together. Gracie is on the left, wearing a black strapless top, and Karina is on the right, topless. They are both smiling and looking at each other. Karina has her hand on Gracie's arm. The background is a plain white wall.

gracie glam karina kay friends always

Gracie was happy to have good friends like Karina nearby and willing to listen to her complain. The lonely hottie was most thankful for her oldest college friend and roommate. She was always there to listen and after a few drinks, Gracie decided it was time to thank her. Her old roommate couldn't believe it when she was dragged into bed and Gracie pounced on her pussy. Both pussies were on fire and it took a full weekend to put it out. Now both girls are hooked on each other.

getting over myself

today was a very tough lesson learned

I have been secretly dreading this day for the month, but it's finally here. It's been a couple years in the making and it's hard to believe that it's actually going to go down. I don't even remember how it first came up, but here it is, today. I'm starting my notes now because I don't expect to pick up a pen (yes, I still use a pen) until tomorrow. My marriage to my longtime girlfriend, Beverly, has seen better days. Oh, we're still friends, but the loving surely has diminished over the years. We've tried a lot of things to try to spice it up, but the one thing we haven't tried is sharing each other with a third person, male or female.

We finally agreed that we'd try it, knowing that it could possibly be the end of our relationship. Having discussed it thoroughly, we decided to plod ahead. Bev would go first, and her choice was a man. Of course I hoped it would be a woman, but she's wanted a new cock for a while now. Mine was the only one she's had for a long, long time. Her choice, and it hurts, was Richard. He was my college roomie and we've stayed friends over the years, often camping and boating with him. He's even told me that he'd jump at the chance to 'bang' her if it ever came up. 'Bang' her? Not the vision I had.

For years he would al-

ways tell me how lucky I was to have a woman like her. On occasion she'd make little comments about how handsome Richard was. But anyway, we decided that Richard would come over tonight and see what would happen. Of course, we told him about her wish and he was all for it. I sneered at the little smirk my friend Richard had on his face when we talked about it. You see, this was strictly for Bev's enjoyment only, I did not want to go through with this, at least not with him.

The doorbell rings and I think about not answering it, but Bev's home and she knows it's him. He also knows we're home expecting him. I open the door and welcome him in. He's looking all around for her as I take his coat. I tell him she's upstairs, and can I offer him a drink. He said "No,

Let's get this thing started." Again, not exactly what I wanted to hear. We went up the stairs and I slowly opened the bedroom door and found her waiting for our arrival. She wore a robe with nothing else underneath but her totally naked body. No sexy garments were needed to get Richard and his cock going. By the time he set foot in the room, I could already see his cock bulging under his jeans. She warmly greeted him, by slowly taking off her robe to reveal the beautiful body that I've always enjoyed and he's only dreamed about.

With only one foot in the door, Richard stripped his clothes off and threw them on the floor. In the dim light, his muscles flexed and his cock was already standing at attention. Beverley was sitting on the bed and tapped it for him to come over. She swung her feet over the edge and Richard stopped in front of her. She then grabbed his cock and guided it into her mouth. She sucked and she sucked and watching this, I got a serious erection just watching them go at it. She worked his cock down in her throat as Richard grabbed her behind her head and held it as his cock did the dirty work.

Slowly, I undressed watching this unfold a few feet from me and starting playing with myself as she continued sucking him. I couldn't help but to feel a little jealous seeing that Richard's cock was bigger than mine. Bev looked over to me and gestured me to come over and join the fun. I went over to them and stood next to Richard. I looked down and couldn't believe my wife now had two cocks in her mouth. Sucking on them as if she had been doing this for years, she didn't miss a beat with either cock. I tried to push my cock down her throat like Richard and she took it, and it felt so good. One by one, Bev sucked our cocks making us both feel ecstatic pleasure. Then there it happened, for the first time, I saw another person shoot their splooge all over her face.

Well, seeing that, I too began unloading my juices on her face and boobs. Bev seemed to be loving it. She also must have prepared for it because she grabbed a semi-wet towel near the bed and wiped her self clean. Throwing it in the direction of the bathroom, she dropped back onto the bed and spread her legs and began rubbing her bald pussy in invitation and expectation. Richard took a step forward and stuck his still-hard cock inside her pussy. She looked at me as Richard began fucking her and patted the bed again telling me to come over. I got on the bed and crawled up to her face and laid on my side with my cock near her face. She grabbed it and put it in her mouth while Richard steadily pounded her pussy. I felt the heat and passion in her body and her actions. I cannot remember when I last saw her this turned on.

I reached down her body and began rubbing her rather large breast and pouty pink nipples. Richard reached out and began to play with the other one, pulling on her erect nipples making her even more excited. He held her legs open to get deeper penetration. His face began to grimace as he pushed his cock deeper and deeper into her

swollen pussy. Her hands grabbed the bed post as she yelled and screamed for more. I watched as her hands latched onto Richard's ass, with their bodies pounding together non-stop. I'm excited as well as annoyed while Richard fucks her so hard.

Finally slowing down and then stopping, Richard pulls out and grabs her by the hips to roll her over onto her belly. Bev crawls up the bed and puts my cock in her pussy. She leans down on me offering her ass to Richard, who immediately obliges her by grabbing the lube off the nightstand and giving a big squirt down her ass crack. He rubs along it making sure to lube the inside by sticking a finger or two in before shoving his cock into her butt.

I felt his cock enter her anus and put pressure on mine inside her pussy. I admit it did feel like she was tighter and I began to pump harder. Richard found my rhythm and followed along, stroke in stroke out.

Bev raised up a little and I found my mouth sucking on her boobs. Finally, I began enjoying myself as I felt my cock slide comfortably in and out of her wet pussy. Richard came first, and let his load off on her butt cheeks and back, leaving the two of us to continue fucking. We haven't had good sex like this in quiet awhile.

With Bev still on top, Richard began spanking on her ass making the action time with my fucking. A look of

intensity was on my face as I was determined to fuck her better than Richard. She sat on my dick and began riding my cock while Richard stood beside us and watched. I nibbled on her hard nipples as her boobs smothered my face. Still determined to shine, I once again got on top of her and fucked at a vigorous pace rocking our bed out of position.

Richard held Bev's legs open for me while I plunged my cock inside her like I did when I was younger. I pulled my cock out and watched the cum just blast out from

my cock all over her pussy. Whew, I haven't seen that much cum out in quite a while, even having cum an hour ago. I asked myself where I had been storing all that manly goodness?

I was spent but could tell Richard was now ready for more, and besides, Beverley was still waiting for her climax. Oh yes, she had some small ones along the way, but somehow we knew there was a big one waiting to explode. This time we switched positions and she got on top of Richard sitting on his waiting cock. I let then go at it for a few minutes then got on my knees in front of her and she immediately took my semi-soft, semi-hard cock in her hands. She played around with it and my balls as she rode him. Then she looks at me and mouths the words I love to hear... 'Fuck my ass, baby.'

got behind her and looked at Richard's cock pumping her love hole. I pulled at my cock to get it as hard as I could and found her butt hole. It had already been loosed by Richard's cock, but now it was waiting for mine. Then, I fucked her rear. Two people, together in unison giving her pleasure beyond her wildest dreams. She looked back at me and gave me a long, slow melting smile. Soon, the three of us, letting out sounds of enjoyment, made me realize how special she really was. What a woman, giving two well hung guys pleasure and taking two cocks at once. Muffled moans and groans from three voices filled the room until Richard yelled out that he was cumming. I stopped to let him climax, and not letting him out do me, I pumped her ass as hard and as long as I could.

Finally, I thought, she's cumming. And sure enough, Bev bucked her hips and pushed them as hard as she could back into me. She tightened her butt hole around my cock as I pushed it in as far as I could and held it

there until we both exploded in climactic ecstasy. I collapsed on top of her in a mixed pool of sweat and cum until my shrinking cock plopped out of her butt.

We all propped back on the headboard with Beverley in the middle. I gently rubbed her pussy mound with small strokes to her pussy lips. She had her hands on each of our limp cocks, playing around with them and pinching and rubbing our balls. What a great way to wind down from some intense fucking. Then, almost as if on cue, Richard and I leaned over and kissed her breasts and licked her nipples feeling their stiffness between our lips.

But this night was not over yet as all three of us jumped into the large shower and washed up, with me and Richard both cleaning her beautiful body up and down ever so gently. We let her towel off as I changed the sheets on the bed and we got back on it. Richard and I took turns licking her pussy and asshole until she came once more.

Even though she too licked and sucked out man parts, we just couldn't cum again, having spent it all in the past couple hours. But that didn't matter, we were fine just feeling her warm soft mouth around our cocks until we all finally fell asleep.

The next morning Richard reached across and poked me, not waking Beverley, and motioned he was going to go. I nodded and gave him a big thumbs up. He carefully got out of bed, grabbed his clothes that had remained on the same spot on the floor, and left the bedroom. I heard him getting dressed in the hallway and listened for the front door open and close behind him. Slowly Bev awoke and we snuggled close. We made pillow talk and she confessed that she really enjoyed last night. I told her that I did too. But now, she said that was in the past and, as we agreed, it was my turn. She had already talked to her best friend, Anna, to join our lovemaking trio. Anna told her that she would love to fuck me. I smiled and felt my cock getting hard again.

Shanna and Eddie have been married almost 20 years today. To celebrate, My husband and I, her best friend, decide to take them out to the local club for some dancing and a few drinks. With all the kids grown up and out of the house, they had no concerns in going out. And being housebound almost every day, Shanna was excited to go. At 42, she still maintains her slim girlie figure and Eddie was still a good looking guy, although his midsection was starting to grow a little too large.

Our party of four gets to the club, Purely Electronic, when the bouncer cards us girls. Flattered and giggling Shanna and I pull out our IDs and show them to the guy. He holds them up to our faces and smiles as he gives them back to us. Once inside, we make our way to a table and moments later a waitress comes over and takes our drink order. The guys gulp down their beers within minutes and order another round. Shanna and I nurse ours a bit longer as we look around the large room dimly lit with pockets of glowing, pulsing colors. It was so loud in there that we could barely talk to each other so I grabbed Shanna's hand and we get up to dance.

The dance area was pretty crowded, mostly with women, and many were so skimpily dressed, their boobs would bounce around and out. Short skirts seemed to be the dress of choice and, again, many got hiked up as the ladies gyrated around the dance floor. On the floor was a woman, probably 35 or so, who came over and asked if she could join us and we all danced together. Returning to the table we find Eddie face down in the crook of his arm. My husband says he's pretty wasted and Shanna shakes her head, takes my hand and we head off to the ladies' room.

Shanna heads to a open corner stall and pees while I adjust my stuff in the mirror. In minutes, our third dance partner enters, smiles at me and also heads to a stall. Shanna forgot to close the door to her stall and our partner walks in on her as she's finishing. I hear some

“Sorries,” come from the corner, then silence. I walk over and see Shanna pressed against the wall being kissed by our dance partner. I watch in disbelief as she kisses her softly at first, then a little stronger and more passionately. The woman turns and sees me watching. She backs off of stunned Shanna and introduces herself as Crystal.

Crystal takes no time in explaining that she found Shanna really sexy and wanted her as soon as she joined us on the dance floor. Shanna is shocked, scared, and turned on all at the same time. Shanna says ‘Thank you but I’m married my husband is out there and I have never done anything like this before.’ Crystal calmly looked at her and back to me and says Shanna’s husband is so drunk, he’s out of it. Then she confesses that she too is married. We all look at each other for a minute trying to understand the consequences of the situation. Finally Shanna speaks up and says she’s really flattered, but she needs to get her husband home.

A week goes by and Shanna calls me to say that she can’t seem to get that kiss off her mind. Then she tells me that her pussy gets wet thinking about the scene and she can’t help but want Crystal to touch her there. I guess I wasn’t that shocked, but when Shanna said she was thinking of trying to find Crystal and see what

CRYSTAL TAKES NO TIME IN EXPLAINING THAT SHE FOUND SHANNA REALLY SEXY AND WANTED HER AS SOON AS SHE JOINED US ON THE DANCE FLOOR.

would happen. I told her that if that’s what she wanted, I’d support her in any way I could.

A couple days later Shanna calls me all excited to say that Crystal had just called her and wanted to see her. She asked Crystal how she got her number but her answer was elusive. So they agreed to meet at a nice hotel bar and just talk. I laughed into the phone and asked when was this to happen. “Tonight.” she said. “And how are you going to explain to Eddie that you’re going out?” She told me I was going to

tell Eddie that we girls were going out and to pick her up at eight.

So I pick her up at eight and drive off to the hotel. We find the bar and enter to find Crystal in a very short dress whose top reveals two perfect breasts. We exchange pleasantries and quick air kisses at the cheeks. Crystal says she's so glad we came and not to be nervous. We sit at a cocktail table and order drinks.

Almost immediately Crystal starts telling us that she is bi and finds women a great release from her husband, who is okay with her doing it with women. Then we three resolve to give it a try and head up to room 302.

Shanna and Crystal go inside first and Crystal grabs her and kisses her. Shanna is so hot she kicks out of her dress with no panties or bra, just a dress and heels. Crystal also strips quickly and leads her straight to the bed. I settle in a chair nearby and pull up my skirt and pull down my panties and settle in to watch. The two then begin to kiss and rub each other, then Crystal goes down on Shanna parting her pussy lips for a female's tongue for the first time. Shanna shakes and shivers, bucks and moans through her first lesbian lashing. Shanna's body trembles as she cums hard, drenching Crystal's face with her cum juice.

I SEE SHANNA'S EYES ROLL AS HER PUSSY GRIPS THE DONG TIGHT. CRYSTAL'S STROKES ARE FASTER, HARDER AND DEEPER

Then Crystal reaches into her big purse, pulls out a strap-on and puts it on. Then she gently applies lube and very slowly enters Shanna with the nine-inch dick, letting her goddess adjust, then pushes more in till it's all in and slowly out. I see Shanna's eyes roll as her pussy grips the dong tight. Crystal's strokes are faster, harder and deeper and Shanna is getting the fucking of her life. After what seemed to be an hour Shanna screams out another climax and the two collapse on the bed as I diddle myself to cum.

I like it deep and hard

I think everything about sex is extremely pleasurable. That's why I want to try out as many possible positions as I can with my man — even if it takes more than one round to find the right one. When we finally find a position we like, we'll do it all day long. And often the next day, too!
